PROVERBES**AUTEUR : SALOMON ET AUTRES**

Les Proverbes donnent de la sagesse sur tous les domaines de l'expérience humaine. La sagesse n'est pas simplement une question d'intellect, elle consiste à considérer la vie et le soi du point de vue de Dieu, qui est la seule perspective vraie et valable. Un proverbe est un bref dicton qui sert à communiquer une grande part de vérité. La racine du mot "proverbe" porte l'idée de "gouverner" ou de "diriger". Par conséquent, les proverbes sont des paroles sages et concises qui doivent être utilisées pour gouverner nos vies.
